**TECHTEAM GOVERNMENT SOLUTIONS, INC. SIGNS BOSCOBEL
FOR PUBLIC RELATIONS AND MARKETING**

Mid-tier PR Firm to Provide Support for New Government Subsidiary

[SILVER SPRING, MD] — July 2006 — TechTeam Government Solutions, Inc., a provider of information technology (IT) services to federal, state, and local markets and a wholly owned subsidiary of TechTeam Global, Inc., has hired Boscobel Marketing Communications, Inc., to introduce the company and its capabilities to the government and military IT and engineering communities. Although specific terms of the contract were not released, Boscobel's responsibilities will include public relations, marketing, business development support, and industry research.

Boscobel, based in Silver Spring, Md., will work with TechTeam Government Solutions to help increase the company's visibility in the integrator community in order to secure relationships for major opportunities. Joyce Bosc, president and founder of Boscobel, believes TechTeam Government Solutions is positioning itself to be a major player in 2006 and beyond.

"We are excited and proud to be part of this team and look forward to helping TechTeam Government Solutions tell their unique story," said Bosc. "Their integrity is unmatched in this space and they deserve a presence that matches their range of services and outstanding customer commitment."

According to Richard Deloney, Jr., senior vice president of business development for TechTeam Government Solutions, "It was Boscobel's groundbreaking work with other growing mid-tiers that caught the company's attention. Boscobel is the best in the business and we are thrilled to have them on board," Deloney said.
